May 1, 1984

Mr. William J. Casey
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Casey:

Within the next few weeks, the Senate will debate S. J. Res. 129, a Committee endorsed resolution calling for space arms control talks. I, therefore, request the Central Intelligence Agency to brief members of the Senate Foreign Relations Committee on issues central to consideration of this resolution.

The briefing to be held on May 10, 1984 at 10:00 a.m. in S-116 in The Capitol should review Soviet ASAT capabilities and provide the results of the intelligence community's assessment of its ASAT arms control monitoring capabilities.

Information provided during the course of the briefing should be restricted to Top Secret.

Sincerely,

Charles H. Percy
Chairman
